Committed to Making a Difference Every Day

The Thrift Town Story...

Thrift Town is a family-owned thrift store business which was started on a simple handshake back in 1972. The goal was to offer first-class secondhand items at great prices in a clean, bright and organized store, while helping to raise money for a good cause. Thrift Town pays top-dollar for all of its merchandise to charitable organizations that benefit people with developmental disabilities. We are proud to have raised over 80 million dollars for charity so far.

We Make a Difference...

Thrift Town values its community, charity partners, crew members, and the environment.

Thrift Town:

- Provides affordable shopping in clean, bright & organized stores
- Helps to raise much-needed funds for charity
- Provides good jobs with an opportunity for advancement
- Recycles 2 million cubic feet of secondhand items each year

Crew Members take pride in being part of an organization that strives to make a difference every day in so many ways.

We Value Growth. Grow With Us!

Thrift Town creates a lot of opportunities for crew members to advance within the company. Many of our store managers and supervisors have been with our company for over 10 years and our team of dedicated leaders has over 700 years combined experience (which averages out to be about 15 years per person). Not many companies can make claims like this. There's a reason people stick around when they get hired at Thrift Town. It's a great place to work and it's a job that makes a difference.
